

# 6 KEY ADVANTAGES OF KASTLINE

## *We are a LOCAL partner*

0%

...of import duties  
and no import  
procedure

\* Import procedures impact severely the price, depending on the relationship between import/export countries

8

...times faster  
shipment to  
customers in China

\* Customers do not like to wait several weeks to get their orders, they are used to receive them within few days

7

...sales channels on  
which we reference  
your holds

\* Get your holds sold the way Chinese buy goods: Pinduoduo, Taobao, Kuai-shou, Douyin, WeChat, Weibo, Alibaba

## *We are industry experts*

10

...years of  
experience in  
climbing, in China

\* We know the codes and rules here, and will be able to guide you through them, from production to sales and marketing

1

...QR-code  
scannable,  
anti-counterfeit

\* We ensure your clients that the holds they purchased are truly from your brand

5

... types of materials  
and a wide range of  
textures

\* Thanks to 3D-printing, we encompass multiple textures and deliver efficient moulding services to our clients
